ORDER

K.S.Radhakrishnan, J.

No grounds have been made out to entertain this review petition. Appeal was disposed of recording the submission of the appellant that he would pay the entire amount in two instalments. We are informed that the appellant has not complied with the submission. We had also made it clear that if the appellant had committed default in payment, the benefit of the order would not be available to him and it would be open to the respondents to proceed in accordance with law.

2. Under the above mentioned circumstances, we find no reason to entertain this review petition and the same would stand dismissed.
